Contact details	newartstudioprojects@gmail.com

Project

Field(s)	Category 1 smaller projects
Description	New Art Studio is seeking three other partner organisations to collaborate in an artist exchange program over a four year period. Our mission is to work together with prospective partners to create a strong project proposal that will promote individual artists, the localities where the project will be based, and the partner organisations. New Art Studio is interested in being a main coordinating partner or minor partner.
